

The Question That You *Will Never Ask*

You've taken the time to understand your Medicare coverage, explore your options, and make thoughtful plan choices for the years ahead. Yet there's one important part of retirement planning that often goes unaddressed.

When funeral planning isn't discussed alongside Medicare decisions, families can be left unprepared. Eternal Benefit supported through a partnership with Dignity Memorial[®], offers a simple and respectful way to address these considerations early, before they become urgent or overwhelming.

Just as Medicare planning helps protect your health and financial stability, planning ahead helps protect the people you care about most, providing clarity and reassurance when it matters most.

Learn how including this conversation as part of your Medicare planning can bring confidence, peace of mind, and certainty for your family's future.
