Burial:

(1) The Caskets described below are recommendations ONLY. You are not required to purchase a casket as part of this offering.

Funeral Director will confirm and sign off on any agreement prior to being issued by the insurance company.

* Casket(s) may be updated from time to time based on what the manufacturer has in inventory at the time of use of policy.

Refrigeration is required when there is no embalming. Embalming may be required for services selected.

*General Price List (GPL) MUST be supplied to ALL prospective clients.

Package price reflects current General Price List and are subject to change without notice.

The policy can be transferred to another Funeral Home.

Cremation:

(1) The Caskets, Suitable Urn and Cremation Containers described below are recommendations ONLY. You are not required to purchase one of these Caskets or Cremation Containers or any other Casket or Cremation Container as part of this offering.

Container / Casket(s) may be updated from time to time based on what the manufacturer has in inventory at the time of use of policy.

Funeral Director will confirm and sign off on any agreement prior to being issued by the insurance company.

Refrigeration is required when there is no embalming. Embalming may be required for services selected. Crematory requires remains to be in a rigid combustible container.

General Price List (GPL) MUST be supplied to ALL prospective clients.

Package price reflects current General Price List and are subject to change without notice.

The policy can be transferred to another Funeral Home.

All urns are standard adult size.
